

# David Cebulla<sup>\*</sup>

## Naturfilmer & Ökologe

\*1991 in Jena

- since October 2019 full-time filmmaker and producer for nature films
- 2019 MA Ecology, Evolution and Systematics (FSU Jena)
- 2016 BA Biology (FSU Jena)
- filmmaker since 2014

### Guiding principles for David's nature films

- The films are intended to raise awareness and enthusiasm for nature and wildlife.
- only wild animals
- no flash or visible artificial light
- transparency of methods
- authenticity

### David's interests

- Nature and species conservation
- the European hamster, its endangerment and protection, Germany and worldwide
- the European wildcat, its way of life and wildcat monitoring
- Wild animals, especially mammals, and methods for studying them
- Dormant forests and natural forest development
